

Purchasing Deeded Rights of Interment

The prices below are for the right to utilize property in Blue Hill Cemetery for the placement of a casket or a cremation urn. You are not purchasing the property from Blue Hill Cemetery; rather, you are purchasing the right to utilize the property of your choice in perpetuity. Payment plans are available; please contact the cemetery office at 781-843-9000 for details. When the time of need arrives, committal service fees will be incurred including the opening and closing of a grave, the opening and closing of a crypt, or the opening and closing of a niche. Those fees also include the equipment and personnel required to facilitate the committal service. Please refer to the **Committal Service Fees** links.

The Right to Place a Casket or Cremation Urn in the Ground

Please Note: A Right of Second Interment allows two casket interments in one grave; the first interment is deep; the second interment is on top of that at standard depth.

Some of the lots below include a Right of Second Interment. The + symbol below indicates that a Right of Second Interment is available for an additional \$600.00 per grave for a casket or a cremation urn.

Right of Interment in Garden of Honor Veterans’ Memorial Park Section 28

All honorably discharged veterans are entitled to a bronze marker that is paid for and shipped to the cemetery by the federal government. Blue Hill Cemetery personnel will order the veteran's marker directly from the U. S. Department of Veterans Affairs. A copy of the veteran's DD-214 discharge document is required to initiate the order.

Each of the following **Veterans’ Packages** includes the installation of the veteran's government bronze marker. The matching bronze marker referenced in the packages is for the memorialization of a non-veteran interred in the same lot as a veteran. Payment plans are available; please contact the cemetery office at 781-843-9000 for details. Veterans' Packages must be pre-arranged.
